Part II Activities and Operational Information

- 1 Provide a detailed narrative description of all the activities of the organization—past, present, and planned. **Do not merely refer to or repeat the language in the organizational document.** List each activity separately in the order of importance based on the relative time and other resources devoted to the activity. Indicate the percentage of time for each activity. Each description should include, as a minimum, the following: (a) a detailed description of the activity including its purpose and how each activity furthers your exempt purpose; (b) when the activity was or will be initiated; and (c) where and by whom the activity will be conducted.

The primary purpose of the Cape Elizabeth Education Foundation (the "Foundation") is to raise funds for public education in Cape Elizabeth, Maine, in excess of those budgeted for the Cape Elizabeth public schools by the Town's government. To achieve its purpose, the Foundation will undertake the following activities:

1. Fundraising. Fundraising activities include sponsoring benefit events (such as athletic contests, dances, auctions, bottle drives, "raffles," bake sales, car washes, and the like) and soliciting contributions, grants, and bequests from residents of Cape Elizabeth and others. These fundraising activities will be undertaken both by the Foundation itself and by the Foundation in cooperation with existing "booster" groups. Planning for these activities has already begun, with the first fundraising event—a student-alumni soccer game—scheduled for early September, 2001, at Cape Elizabeth High School. It is anticipated that most fundraising activities will be undertaken by the Foundation's Board members, supporters and friends, and that most of these activities will occur within the Town of Cape Elizabeth.
 2. Allocation of funds. The Foundation will allocate funds raised among those initiatives and programs that best further innovation and excellence in public education in Cape Elizabeth, including "out of the box" programs that are ordinarily not funded through the regular School-Board-approved operating budget. Potential candidates for such funding include innovative and enriched programs in languages, arts, athletics, faculty professional development, and improved science labs, computer labs, and athletic facilities. This ongoing allocation activity will start when funds have been raised, will be undertaken by members of the Foundation's Board of Directors, and will mostly occur within the Town of Cape Elizabeth.
 3. Establishment and Administration of Endowment. As a longer-term goal, the Foundation anticipates that a certain percentage of funds raised each year will be set aside in an endowment, the income from which will be used to support initiatives and programs that best further innovation and excellence in public education in Cape Elizabeth, as described in the preceding paragraph. This activity will be undertaken by members of the Foundation's Board of Directors and is expected to occur within the Town of Cape Elizabeth.
-
- 2 What are or will be the organization's sources of financial support? List in order of size.
- Raise funds from the community. After Foundation is well-established with broad base of community support, it may seek grants from charitable foundations that support innovation and excellence in education.
-
- 3 Describe the organization's fundraising program, both actual and planned, and explain to what extent it has been put into effect. Include details of fundraising activities such as selective mailings, formation of fundraising committees, use of volunteers or professional fundraisers, etc. Attach representative copies of solicitations for financial support.
- Funds will be raised through volunteer efforts by students, parents, and booster groups through activities such as those described in Item 1 above, community mailings, and other solicitations. On a longer-term basis, grants may be sought from charitable foundations that support innovation and excellence in education.
-
